

Tablets

Hair, Nails & Skin Care From Inside Out

Balanced dietary supplement contains Pycnogenol, Grape seed extract, Biotin, Zinc & Beta carotene-all important and other nutrients for healthy hair, skin and nails

Grape seed extract binds to collagen and elastin molecules in skin and protects them from free radical damage,

Each coated tablet features 5,000 mcg of Biotin, the hair growth vitamin that supports skin and hair health

Pycnogenol improves microcirculation of capillaries, allowing better oxygen flow and provides nutrients to hair follicle areas

Zinc ensures normal division of hair follicle cells, leading to healthier hair growth, may also eliminate dandruff on scalp

Beta carotene is clinically proven anti-oxidant that helps prevent pre-mature aging of skin and makes is beautiful

All dietary ingredients-safe for long term use on daily basis

Dosage:

One tablet twice daily at mealtimes
